GPS & Activity Tracking
for Cats & Dogs
34% of pet owners lose their cat or dog at least once.

About 6 million animals enter animal shelters each year - in the US alone.

More than 1 million people around the world trust us to make sure that never happens to their pet.

Why pet owners love Tractive GPS trackers
Pet Experts Trust Tractive

“Tractive is so valuable and important to keeping our dogs safe, we’ve now made it part of the whole adoption process.”

Dogs In Better Spots (DIBS) Rescue,
Ottawa’s largest rescue dog fostering organization, transporting stray dogs from Mexico to forever homes in Canada

“Having Tractive for Sheba’s safety gives me peace of mind, plus I can see exactly what area was covered during our search and rescue. It is a necessary tool for what we do and they are greatly appreciated, thank you.”

ATT Search and Rescue,
Canine search and rescue training and response

“Martin Rütter,
Animal psychologist and celebrity dog trainer

“I can recommend Tractive to every dog owner who cares about safety and health of their four-legged friend. I use it myself for my dog Emma and I am thrilled. For me, it’s clearly the #1 in GPS tracking for dogs.”
